Join us for the second Daufuskie Island Marathon and Ultra hosted by Run 4 a Reason and presented by Haig Point!

We are proud to be hosting the Daufuskie Island marathon and ultra for the second year! This race offers a unique perspective of the culturally rich history of Daufuskie island just off the coast of southern South Carolina, across from Hilton Head. The race offers 13.1, 26.2 and 39.3 mile races through the paved and unpaved roads on Daufuskie Island. The 2019 race course is USATF certified making it a qualifier for national races such as Boston marathon, New York marathon.

There are no bridges from mainland to Daufuskie Island. Runners will be ferried over by boat from Hilton Head.

Daufuskie Island is steeped in deep history dating back thousands of years. Yemassee Indians inhabited the island at the time that Spanish conquistadors explored Daufuskie. The French, English and Gullah people have also played a significant role in adding their rich cultural identity to this beautiful, eclectic island.
